

A BIBLIOGRAPHY OF WORKS BY AND ABOUT LOWELL L. BENNION

Compiled by Eugene England

Copies of all these items are collected at the University of Utah, in the library or the Lowell Bennion Community Service Center.

- "Diary." Handwritten letters and entries in leather-bound volume (about five by seven inches) in Bennion's possession, comprising a daily record of his mission, from 18 October 1928 to 23 May 1931. 190 pp. Good details of activities as young missionary on train and boat to Germany, first labors in Bielefeld, and service as District President in Zurich, Switzerland. Frank descriptions of deficiencies in teaching methods used in the LDS congregations and of the disruptive and self-defeating attitudes of various members but also of significant spiritual experiences and of loving service. Thoughtful reflections on German and Swiss life, cultural events (such as Oberammergau Passion Play, concerts, operas), the great variety of books he read, from scriptures and LDS theology to German history, literature, and philosophy, and plans to have his wife Merle join him at end of mission and do graduate work in Vienna.

"A wonderful description of the anguish, pathos, and joys of a single parent with challenging children!"

A warm, laughter-and-tears celebration of family life, single-parent style...and a deeply affecting, truly humane book about maintaining old-fashioned family values in an all-too-newfangled world...that's *One On The Seesaw*.

A young daughter with no dad to escort her to that very special occasion...the threat of an obscene phone caller...a child's suspected vandalism...here, the tough times mingle with times of joy: the friends who come together to paint the family house...the kids who suddenly, surprisingly, act like young adults. It's all part of being *One On The Seesaw*, Carol Lynn Pearson's vital, witty, loving true story of her family...and, just possibly, yours too.

"In delicately crafted vignettes she reveals how she and her gifted children adapted to the seesaw world of a single-parent family...wise and often funny." —*Kirkus Reviews*
